Joint venture between PreZero and Pyral - the new PreZero Pyral GmbH

Dear Sir or Madam, dear business partner,

with this letter we would like to inform you about the new partnership between the PreZero Group and the Pyral.

With this step the new PreZero Pyral GmbH was established.

The shareholders of the new company are the PreZero group and Pyral.

The PreZero Pyral joint venture stands for the common goal of recycling and reusing even more effectively in the future: a clean future in which an efficient, digitalized and closed recycling system protects our environment and creates sustainable value.

Even under the new shareholders, all general terms and conditions of business (closed contract (CONTRAT TYPE DE REPRISE OPTION FILIERES")) , sales and delivery remain unchanged. Your personal contacts are there for you as usual. All company data - such as addresses, telephone numbers, account details, etc. - remain intact.

New data: VAT ident. No. DE336420428 and HR number HRB 33619

Should you have any further questions, we will be happy to help and are of course available to you at any time.

The previous management of Pyral would like to take this opportunity to thank all partners for the cooperation so far and look forward to the continued, trusting business relationship.

We assure you of the seamless continuation of our partnership-based business relationship - this forms the basis for our mutual future success.

With best regards

Markus Reissner
